UPS Developer Kit – LTL Freight APIs – Enable Negotiated Rates

Welcome.....	1
Enabling LTL Freight APIs for Negotiated Rates.....	3
UPS Developer Resource Center.....	8

Welcome to the UPS Developer Kit briefing on how to enable Negotiated Rates for use with the LTL Freight Rating or Shipping APIs.

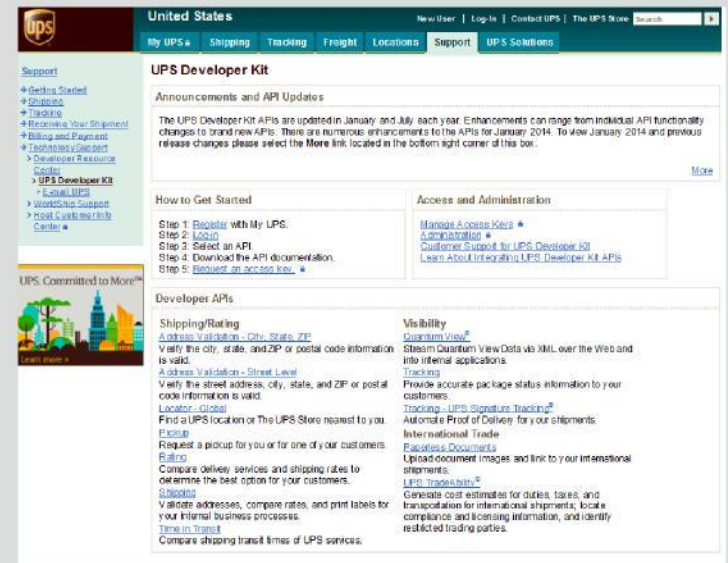

This briefing assumes that you have the following:

1. A My UPS ID
2. An Access Key obtained using the My UPS ID
3. The My UPS ID and Password available for use in this process

UPS Developer Kit page at [ups.com](https://www.ups.com/upsdeveloperkit?loc=en_US&WT.svl=SubNav)

UPS UNITED PROBLEM SOLVERS

Getting started (cont.)

Step 4: Redirect page

When you select login the redirect screen will display. Please wait until the “Negotiated Rates Enrollment Information” page displays.

Getting started (cont.)

Step 5: Verify information and complete the entire form

Please Note:

To view Negotiated Rates for shipping and rating LTL Freight shipments from additional Origin Locations please enter the following in the bottom field:

1. Company Name,
2. Street Address,
3. City,
4. State,
5. Zip/Postal Code

Please ensure that the exact format is followed and one line is used for each additional Origin Location for which you would like to view Negotiated Rates using the LTL Freight APIs.

If changes additions/deletions/edits need to be made to this list you must contact your LTL Freight Sales Professional to make changes.

Enroll to View Negotiated Freight Rates

Negotiated Rates Enrollment Information

Provide the following information to view your negotiated rates on future shipments.

Name:

Company Name:

Title:

Country:

Address Line 1:

City:

State/Province:

ZIP/Postal Code:

Telephone:

E-mail:

UPS Tracking / PRO Number *:

*If you already have custom rates or have previously shipped with UPS Freight, providing a recent nine digit tracking (PRO) number will expedite this request.

Location Number (UPS Freight use only):

☐ Please send me e-mail updates and information:

List all other locations you would like to view. Include Company Name, Street, City, State, and Zip/Postal Code:

Cancel Finish

I have a My LTL ID

I already have a My LTL Freight User ID and am ready to merge to get Single ID access to My UPS and My LTL Freight services.

[Merge My LTL Freight ID](#)

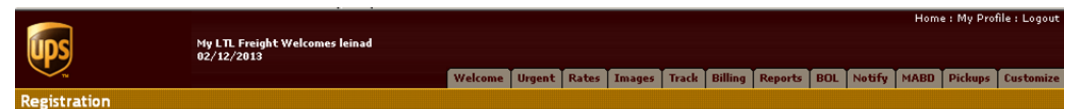

Getting started (cont.)

Step 6: Registration confirmation screen

A “Thank you” screen will appear notifying you that your request to view Negotiated Rates is being reviewed for accuracy. Once approved a confirmation email will be sent to your email address.

Step 7: Receive confirmation email that Negotiated Rates for LTL Freight APIs have been activated

Once you have received the confirmation email from LTL Freight group you are ready to view Negotiated Rates within the LTL Freight APIs.

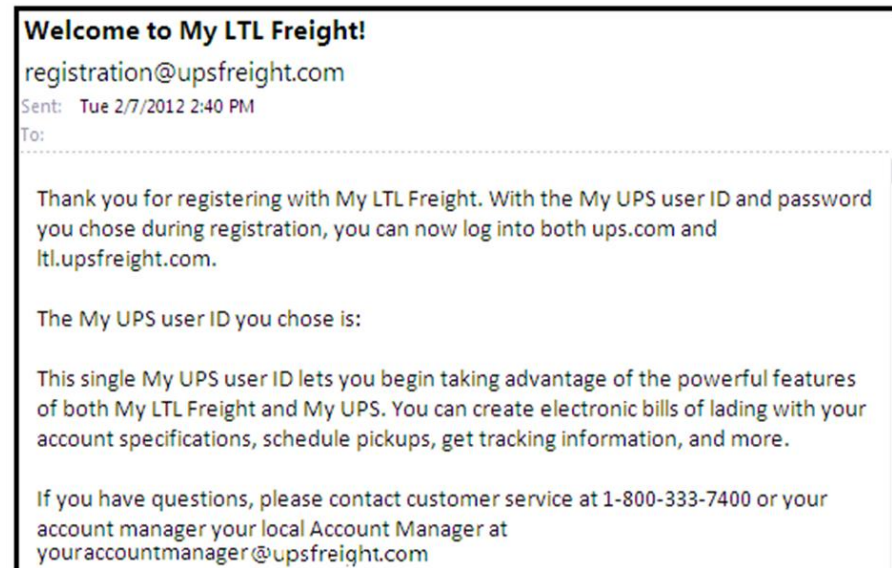

Thank you for registering with MY LTL Freight.

We're currently processing your request and will send you a confirmation e-mail within the next business day to let you know when we're complete. As soon as you receive that confirmation, you'll be able to log into My LTL Freight and manage your sensitive data within our secure environment.

While we're processing your request, you can still take advantage of [public tracking](#), [rating](#), [pickup requests](#) and [proof of delivery](#). Trust UPS Freight to provide reliable LTL and truckload solutions throughout North America.
